TINGDENE BOAT SALES

DESCRIPTION

The Entertainer, a 57ft Semi Trad Narrowboat built by Colecraft Boat Builders and fitted out by Russ Hubble Boats.

Designed in a forward layout, this Narrowboat offers a twin cabin with storage compartments aft, a walk-through bathroom with pump out toilet, a well-equipped galley, and a saloon with two freestanding armchairs / single sofa beds with matching foot stools.

Powered by an economical Barrus Shire 4-cylinder diesel engine. Cabin heating is provided by a multi fuel stove in the saloon. Hot water is supplied by the engine calorifier and immersion heater when connected to shore power. 240V & 12V electrics on board.

Blacked in August 2022, Boat safety certificate valid until May 2026, Engine serviced in 2019.

Commissioned in 2009 and launched in 2010, this well-maintained 4 berth Narrowboat can comfortably take you cruising throughout the waterways network.

To arrange a viewing please call Rachel at Pyrford Marina on 01932 343275.

FULL SPECIFICATIONS

MASTER CABIN

Entrance from the stern deck, leads into the master cabin. The masters cabin features two singles berths, both with high level shelving and LED reading lights. Storage compartments are found forward and aft of the berths. The single berths have the potential to be adapted to form an across width double bed with some minor adjustment.

BATHROOM

The walk-through bathroom is surprisingly spacious for a Narrowboat, utilising all space available. A good size quadrant shower, hand basin with a single lever mixer tap, vanity unit, mirror, pump out macerator WC and a towel rail heated via the engine when running.

GALLEY

A generous sized galley has ample of worktop surfaces for food preparation and storage cupboards. A Spinflow four burner gas hob, grill and oven, 12V fridge, and a surface mounted stainless steel kitchen sink with drainer.

SALOON

The forward cabin has direct access onto the front well deck. A fold up table is found under the gunnels which can be used to dine inside or al fresco. An Arrow multi fuel stove is found to starboard, opposite features a storage/TV unit with a built in 12V radio with speakers in the galley and saloon. Two free standing armchairs which can be converted to form two single beds, proving an additional two berths when required.

CABIN HEATING / HOT WATER SYSTEM

An Arrow multi fuel stove on a tiled hearth is found in the saloon; providing ample of heat on board, ideal for all year-round cruising. The calorifier is connected to the engine circuit providing heat for hot water when running. A 240V immersion heater is available to use when connected to shore power.

ELECTRICS

The 240V system on board simply plugs in to the shoreline providing power to the chrome sockets throughout the boat. X1 leisure battery X3 domestic batteries.

SALES DISCLAIMER

Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate to have the vessel fully surveyed and inspected,river trialled and tested.
