DESCRIPTION

Maximum enjoyment for a maximum price / quality ratio with this Maxima 550 sloop. Sleek and elegant, lots of interior space and a feast for the eye, that's the Maxima 550.

A modern sloop in a stylish jacket for a very attractive price.

The special hull is characteristic of this boat. A unique stern with a tight hull makes this boat unique. Of course, a great deal of attention has been paid to sitting comfort. The boat is suitable for fast sailing. Up to 50 horsepower can be hung behind. Then this robust boat is even suitable for water-skiing or wake boarding. Furthermore, the round seat can be converted into a sun deck and there is plenty of room for a chemical toilet. There is also an optional cooling unit for the console as an extension to the standard modern console. Very unique for a sloop in its class.
