DESCRIPTION

Maxima 620 Retro MC

Maxima 620 tender is completely new in form and layout. A sleek smooth hull with an integrated cabling and an integrated swimming platform. Chic steps in the back of the boat. Standard a stainless steel strip as protection for the bathing platform. The swim platform is ideal if you want to swim, but it also offers protection against the propeller of the motor. The swimming platform is also very useful for boarding and disembarking. Because the engine is mounted in the bund, it ensures a huge noise reduction.

This boat will have a hull colour of **Dark Grey** with a **white interior**, fitted with a **20Hp Honda** LRU, which is perfect for slow leisurely and very quiet cruising, also the good visibility ensure that you feel extremely comfortable while sailing.
