ELECTRICAL POWER SUPPLY

Mains shore supply provided via standard 6amp MCB and metered lead or prepaid card. Prepaid cards are available from the marina office. Your craft MUST have the correct RCD protection installed aboard the craft before connection to the shoreline supply.

Electricity is charged per Kwh unit variable to equal supply cost. Invoices for mains shore supply must be paid on receipt of invoice. Charges for metered units include standing charges, monthly demand charge, capacity charge, climate change levy, repair and renewal costs, NICEIC certification costs, maintenance costs, and administration costs.

Important notice: electric supply continuity cannot be guaranteed. Mains electricity is only available to boats with a properly equipped and protected ring-main installation. Electricity is supplied in accordance with OFGEM regulations.

TERMS AND CONDITIONS

All berth-holders agree to abide by the standard terms and conditions of mooring and storage as displayed in the marina office. All owners are required to provide insurance cover for third party claims of a minimum £3,000,000 and may be asked to produce evidence to this effect. Residential or liveaboard use not permitted.
