DESCRIPTION

The Sealine F43 Flybridge represents the definitive aft-cabin performance motor yacht for her size. There is a deep, safe cockpit having all-round seating, with storage for the cockpit table & canopy in the flybridge molding. Molded steps to the flybridge allow safe, easy access to the upper seating & sunbed area, & the commanding helm position provides excellent control & visibility. The accommodation offers six berths in fore & aft cabins plus a dinette, which can also be converted into a double berth. Both fore and aft cabins have ensuite toilets & showers. The large saloon has ample seating, a table, & a sideboard unit that accommodates a fridge & TV, while providing storage for glasses & bottles. She is fitted with a bow thruster to aid maneuverability. Eberspacher warm air heating facilitates enjoyable time afloat throughout the seasons.

Boat Safety Scheme Certificate expires 5th June 2025
