DESCRIPTION

'River Garden' – A Viking 22

The Viking 22 is designed with a planing hull and is a capable coastal cruiser, offering owners a sporty capability with the ability of using a trailerable craft in both inland and coastal locations.

The interior of the Viking 22 is rare in her class, a good size toilet and shower compartment, an excellent L shaped galley, a forward V-berth which can be converted to form a comfortable double bed and located aft is a mid-cabin accommodating an additional two berths.

This Viking is fitted with a Honda 25hp 4 stroke outboard petrol engine. Full engine service carried out in November 2019, Antifouled in 2019, Boat Safety Certificate valid to August 2024, Full Survey carried out in November 2019.

The ideal boat for day trips, weekends away, and holidays this boating season. Commissioned in 2000 this river cruiser remains in great condition and is ready to view at Pyrford Marina.

FULL SPECIFICATIONS

CABIN

The interior of the Viking 22 offers accommodation for four in two separate sleeping areas. The cabin is laid out with a large seating area forward which easily converts into a good sized double berth using the dining table. To port is the galley with storage beneath the worktops and fitted with a 4 burner gas hob, stainless steel sink and fridge. Opposite the galley the toilet compartment with a cassette toilet, shower and foldaway sink. Beneath the cockpit floor a generous double berth with an opening window to the cockpit.

COCKPIT

The cockpit features the helm to port with steering via a cable to the outboard with single lever engine controls. A double helm seat with storage below is to port with further seating aft in a bench design.

EXTERIOR

The Viking 22 is fully hand moulded featuring a gel coat exterior strengthened by chopped strand matt. All exterior fittings are in stainless steel and the boat has side decks of approximately 6" in width, sturdy handrails are located on the cabin top and the bow is surrounded by a stainless steel pulpit. The cockpit screens are fixed with an option to be specified to fold for navigation beneath the lowest of bridges. Two solar panels fitted onto the cabin roof facilitates trickle charging into the batteries.

ENGINE

Powered by an 25hp Honda 4 stroke petrol engine. Full engine service carried out in November 2019.

ADDITIONAL INFORMATION

- Boat Safety Certificate valid to August 2024
- Full Survey report carried out in November 2019

SALES DISCLAIMER

Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate to have the vessel fully surveyed and inspected, river trialled and tested.
