## DESCRIPTION

### Maxima 600 - Black Pearl II

Maxima 600 tender sloop is a sophisticated model that has both the nostalgic and the modern. A smooth hull with a rope fender and an integrated swim platform. The swim platform is ideal if you want to swim, but it also offers protection against the propeller of the motor. The swimming platform is also very useful for boarding and disembarking. The Honda outboard is a quiet engine anyway but when it is hidden in the bun it can barely be heard. Black Pearl II comes with a built in cold/hot box. A 25 ltr and 12 ltr fuel tanks.
