## DESCRIPTION

### TASTEFUL. BEAUTIFUL. POWERFUL.

On board the Sealine C335, one magnificent moment follows another. Intense, sporty driving experiences are generated by 440hp of engine power, the newly styled, clearly laid out instrument panel, and the superb all-round visibility at the helm. Even in the owner's cabin you enjoy light from all sides.

Premium fabrics and precious woods create a luxurious feel-good atmosphere that is in a class of its own. But the focal point of the Sealine C335 is the light-flooded saloon, which meets even the highest expectations in terms of aesthetics and spaciousness.

Welcome on board!
