## DESCRIPTION

### DRIVE YOUR DREAM.

With the Sealine C390v, HanseYachts presents the third and also largest model of the sporty Outboard-V series and confirms a trend towards fast yachts with outboard engines. The room comfort of three possible double cabins – among them an owners cabin with ensuite bath, an additional guest bath and the panorama-glazed saloon: it all adds up for an unrivalled living concept in its class under 40 feet. The foldable glass door aft can be fully opened, creating a continuous living area between pilot seats and the engines. Two Duoprop 350 hp outboard engines accelerate the Sealine C390v up to 32 knots and guarantee a sporty driving experience. Product manager Andrea Zambonini: “We experience a demand for most variable boats which offer optimum comfort and storage room as well as pure driving pleasure. By relocating the engines we have created additional stowage beneath the cockpit floor which can be used for water sports equipment and bulky gear. The C390v is a fast family cruiser corresponding to all the needs in comfort and fun for the entire crew.”

Welcome on board!

## TECHNICAL SPECIFICATIONS

- Length Overall (Lmax) 12.42 m 40' 9"
- Length of Hull (LH) 11.96 m 39' 3"
- Beam (BH) 3.85 m 12' 8"
- Draught (Tmax) 0.96 m 3' 2"
