DESCRIPTION

The Bayliner 275 design gives more interior space than many larger boats. This popular sports cruiser has everything you need for a weekend escape. The spacious cockpit is ideal for cruising & entertaining friends & family. The accommodation comprises of a double berth, a well equipped galley, a comfortable dinette (which converts the forward berth to a double berth) & an enclosed head.

Boat Safety Scheme Certificate expires June 2023.

- Serial No: EW04
- Engine(s) Make & Model: Mercruiser 5.7 V8
- Engine Power: 250hp
- Engine Number: OW353739

RECENT WORKS & OWNERS COMMENTS

- New Fenders & Bouy's
- Upgraded all the canopy pole work from aluminium to Stainless steel
- The original Bimini framework on 265/275's are aluminium and had sea salt corrosion spots all over which would not polish out, so I replaced everything with stainless steel, polished.
- Thrust Master Bow-Thruster fitted professionally
- This also has full remote operation, so you can jump off the boat and operate.
- Remote control search light
- New VHF antenna
- New Fire Extinguishers (x2) and CO2 detector
- New Galley sink mixer tap
- Inline water filter for drinking
- GPS speedometer
- Teak Table
- Bluetooth stereo
- New Deck Sony waterproof professional Speakers
- New Bayliner lettering
- Replaced the tired/faded letters of BAYLINER on the side of the boat
- Inline oil catcher
- Needed on inland waters. If the engine was to have an oil leak the bilge pumps are not allowed to drain oil into the water, so you have to have either a special catch tray under the engine or inline filter designed to absorb the oil.
- Both engine batteries replaced (March 2022)
- Calorifer commissioned to operate from engine heat exchanger, providing hot water without shore power.

SALES DISCLAIMER

Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate to have the vessel fully surveyed and inspected, river trialled and tested.
