# THE VIKING PROMISE

For over 50 years Viking Mouldings have been creating truly memorable boating experiences for Viking owners and their friends and families. Still a classic sight on many of the UK's inland waterways, Viking river and canal boats have stood the test of time in both their design and durability to continue to offer great value for money for anyone looking to get afloat.

Carefully crafted at the factory in Dunmow, Essex, every Viking cruiser is designed and engineered to deliver exceptional comfort, performance and usability. Manufactured using only the highest quality materials and finishes by highly skilled and dedicated craftsmen each boat sets out to exceed expectations.

## THE VIKING EXPERIENCE

Leisure and family time are becoming increasingly difficult to fit into our busy schedules, but step aboard a Viking and we'll send you on a voyage of rediscovery. Life doesn't have to be fast paced and owning a boat is a sure way to get you to slow down and take it easy. Give yourself a chance to absorb the world around you and enjoy quality time spent with friends and family as you meander along the beautiful rivers and canals of the UK.

Jump aboard and make every moment count.

## VIKING 300

A day on the water with your loved ones couldn't be made any easier with the Viking 300. Spacious throughout, the 300 is a perfect first-time family cruiser for leisure time well spent.

Passengers have easy access to every area with its open-plan living spaces and the layout is fully adaptable to your requirements, fitting up to seven guests if needed, so there's always the perfect opportunity for 'making a weekend of it'.

The 300's combination of sporty looks, light flooded living spaces and unique driving experiences through maximum visibility makes this boat the perfect option for new and experienced boaters alike.

## VIKING 275

It is clear why the 6-berth Viking 275 is so popular. How does choosing any layout to work best for your time onboard, dining alfresco under the sun in the outside saloon area and sharing driving experiences with your loved ones using the twin helm seat sound? The opportunities are endless with this all-round brilliant vessel, just ask the hundreds of 275 owners! Your family and friends will be fighting to spend the weekend on the water with you, although that said, there is room for everyone, with capacity for 8 people and accommodation for 6. So, what are you waiting for?

## VIKING 24

Socialising is at the heart of the Viking 24. This adaptable 4 berth family river cruiser boasts family-friendly accommodation and space for 6 on board. The adaptable circular cockpit is the heart of the boat, allowing every passenger to experience navigation from a front row seat. The wow factor doesn't stop there, with space and comfort a plenty throughout each area. A particularly popular feature among owners is the large windows, letting light flood in and setting the best foundation for a fantastic time on the water.

## VIKING 215

Easily transportable and a great option for first time boaters, the Viking 215 is a perfect craft for kicking off your boating adventures. Journey down the rivers and canals and catch the eye of passers-by, with the boat's modern design, while you take in views of untouched landscapes, and hop on and off at quaint pubs and eateries along the river. After cruising the water all day, take a pew in the generously seated cockpit and enjoy relaxing summer evenings while you take in the picturesque views around you. There really is no better way to spend the summer!
