

Range Overview

H26SD

From £77,535

Easily recognisable through the spacious sun deck bow, this is the largest of Ranieri's 4XC Sundeck line. This double berth boat optimises space perfectly so all passengers have plenty of spaces to relax.

Perfect for a day or weekend out on the water, this boat has everything you need to make the most of leisure time in style.

H22SD

From £51,678

This vessel shows outstanding use of space in just 6.5 meters of craft. The comfortable sundeck at the bow is the perfect spot to relax, while the double driving console gives maximum protection during navigation. This intermediate design of Ranieri's Sundeck Line doesn't disappoint in terms of performance, with excitement guaranteed.

H22CC

From £77,535

The largest of the 4XC Open Line boats, the H22CC keeps comfort for all passengers at the forefront of the design. Space on board is utilised perfectly to ensure there is plenty of room for all passengers to relax and has all of the amenities needed for the perfect day out on the water.

H19CC

From £33,950

The H19CC stands out from the crowd with its comfortable sunbathing area at the bow, with the adaptability of being equipped with a table through its clever design and use of space. The room to relax doesn't stop there, with a comfortable two seater sofa at the stern, making this boat perfect for taking your closest friends on your day out sailing.

Voyager 17

From £51,678

The Voyager 17 has been designed to make all water-born activities a breeze. The Italian styling, and state of the art hydrodynamics, designed meticulously by naval architects using C.A.D. systems, make this day boat a perfect allrounder for anyone to enjoy with family and friends.
