

DELPHIA 11 SEDAN

NEW BOAT TO ORDER

DIMENSIONS

LOA: 10.77M | BEAM: 3.85M | MAXIMUM DRAFT: 0.8M

ACCOMMODATION

NUMBER OF CABINS: 3 | NUMBER OF HEADS: 2 | NUMBER OF DOUBLE BERTHS: 3

DESCRIPTION

The Delphia 11 "Sedan" designed by Tony Castro and available with 57hp to 150hp Diesel or 80hp Mindful Cruising Electric Propulsion with deacceleration in mind for easy inland waterways navigation.

The new Delphia 11 would best be described as "distinctive style meets advanced simplicity". She impresses with special care given to onboard well-being thanks to reducing the number of stairs throughout a boat, creating connected social spaces which we at Delphia call lounges.

Yes, lounges... With minimal bow rise and peaceful voyages, you and your loved ones are here to relax and Delphia 11's lounges offer the ultimate onboard interaction opportunity. Parents can enjoy the lounge area in the cockpit while teenagers can have their own space on the bow lounge area. There is enough for everyone!

TECHNICAL SPECIFICATIONS

- Length overall - 10.77 [m] 35' 4"
- Hull length (LH) - 9.99 m 32' 9"
- Beam (BH) - 3.85 m 12' 8"
- Draught (Tmax) - 2.95 m 3' 3"
- Fuel capacity - 400L I 88 UK gal
- Water capacity - 380L I 83 UK gal
- Displacement - 6.82 t 6.72 UK t
- CE category - B10, C14, D14
- Max passengers - 8

ENGINE OPTIONS

- Diesel - Yanmar 57hp, Shaft Drive
- Diesel - Yanmar 110hp, shaft drive
- Diesel - Yanmar 150hp, Shaft Drive
- Electric - Torqeedo 80 HP/55,10kW

FEATURES

HULL

- "Pure" white gelcoat, RAL 9016
- "Pearl" green waterline stripes, RAL 6035
