

# MAXIMA 740

## NEW BOAT TO ORDER

### DIMENSIONS

LOA: 7.40M | BEAM: 2.59M | MAXIMUM DRAFT: 0.5M

### GENERAL SPECIFICATION

CE CATEGORY: C | NUMBER OF PERSONS: 12 | MAXIMUM POWER: 250HP

## DESCRIPTION

The completely new Maxima 740 tender is truly unique, setting a new standard in European boating. It is the first boat in Europe to feature an outboard motor housed in a bun, which can also be trimmed. This innovative design supports outboard engines up to and including the powerful Honda 250 hp, offering exceptional performance and versatility.

One of the standout features of the Maxima 740 is its beautifully designed toilet room, which comes as standard. This space can also double as additional storage, providing practical solutions for longer trips. The boat boasts ample storage throughout, ensuring you have plenty of room for all your essentials.

The Maxima 740 is designed with convenience and comfort in mind. It includes a practical walk-through to the bathing platform, making it easy to access the water for swimming or other activities.
