Maxima 35

The Maxima 35 is raising the bar. Or should we say: increase the engine power. This boat can be powered by a twin engine up to 2x 400 hp. The Maxima 35 stands out for its modern shapes. This boat has lots of storage space and a practical passage to the swimming platform. With the Maxima 35 there's enough sundeck for everybody. There's no better guarantee for safe travels in all conditions. So, go ahead and invite people for a cruise in the sun or onboard BBQ. You can even join for multi-day trips because the cabin sleeps 2.

Maxima 580 Sport Lounge

Following the successful introduction of the Maxima 680 Sport Lounge, we proudly introduce the new Maxima 580 Sport Lounge. Compact, agile and easy to handle, this low-profile model brings the distinctive character of the Coastal Series to a more compact format. The visible outboard engine adds to its sporty appearance, while the open walk-through provides easy access from the swim platform to cockpit. Despite its compact size, the 580 Sport Lounge offers practical storage with two spacious storage compartments, keeping everything neatly organised.
