DESCRIPTION

The ideal boat for extended explorations out on the water, the Delphia 12 Flylounge is designed for family experience.

A combination of easy navigation, plenty of space and comfortable furnishing onboard, attention to detail in design, and adaptable to river or coastal cruising, you will wonder why you ever considered any alternative.

Whatever your boating ability, this craft is for you. With simple manoeuvring and seafaring, you can go at your own pace at all times. Powerful thrusters, shallow water draft and bridge clearance all lead to the most relaxing cruising experience possible for both helmsman and passengers.

There is somewhere to relax in all comfortable corners of the craft, and that is exactly why these are so popular among families.
