## DESCRIPTION

Having a home on the water just took on a whole new meaning in the form of the new Delphia 12.

Designed by Tony Castro with mindful cruising and easy inland waterway navigation in mind, the Delphia 12 is the ideal boat for any level of boating skill. The elegant lines aren't only designed for style; they are the foundation for a spacious interior and views from behind the helm.

There is no need to family and friends to wait their turn to join your weekends on the water, there is plenty of room for up to 12 onboard.
