

VIKING 20

NEW BOAT TO ORDER

DIMENSIONS

LOA: 6.00M | BEAM: 2.24M | MAXIMUM DRAFT: 0.79M

ACCOMMODATION

NUMBER OF CABINS: 1 | NUMBER OF HEADS: 1 | NUMBER OF DOUBLE BERTHS: 1

DESCRIPTION

Celebrating the 50th anniversary of Viking Mouldings, their new Viking 20 cabin cruiser is ideal for a first time boater keen to get afloat with navigational ease.

Viking's cruisers, known for their low maintenance and reasonable price point, are the ideal family escape. With more space and amenities than your average day boat, while keeping the convenience and nimble size, spontaneous plans can become the norm every weekend!

Hop inside to find a generous cockpit and open plan cabin, creating a sociable, bright space for everyone on board. There is plenty of room for 4 berths if there is still more exploration to do too, so no need to rush to get back after a day out on the water.
