ELECTRICITY

Mains shore supply provided via standard 16amp MCB and metered lead. Metered leads are available for sale in the Marina office. Boats found connected to shore supply without using a metered lead will be disconnected without notice. Invoices for mains shore supply must be paid on receipt of invoice. Charges for metered units include standing charges, monthly demand charge, capacity charge, climate change levy, repair and renewal costs, NICEIC certification costs, maintenance costs, and administration costs. The current charge is 34p per unit although prices may vary without notice if supply costs alter. Mains electricity is only available to boats with a properly equipped and protected ring-main installation. Electricity is supplied in accordance with OFGEM regulations.
